Driving APPLICATION FORM

Resolute Recruitment Ltd is committed to supporting all their workers, protecting them from any form of exploitation and operating in accordance with UK legislation.

As part of this commitment we inform all new recruits that it is against UK law to ask workers to pay anything in order to gain work in the UK. As of April 2009 this extended to paying money to people outside of the UK to gain work in the UK. Resolute Recruitment Ltd does not utilise or associate with companies in or outside the UK who charge jobseekers to help gain work placements.

For this reason we would ask workers who have been asked to pay any money to an individual, company or agency to enable them to find work with Resolute Recruitment Ltd to inform us below. If you prefer you can inform Resolute Recruitment Ltd directly by contacting the Branch Manager. Please supply full details of any such payments and who you have paid monies to and leave your contact information.

I hereby confirm I have not paid any monies to Resolute Recruitment Ltd or any company associated to Resolute Recruitment Ltd to gain work placements in the UK and agree to inform Resolute Recruitment Ltd should I be approached by any person in the future asking for similar requests. I understand I may have to pay UK government agencies such as the Home Office to gain a workers permit in the UK which I am required to pay a fee for, Resolute Recruitment Ltd may apply for this on my behalf and request the required fee.

48 Hour Waiver

The Working Time regulations 1998 ('the regulations') require the Company to limit your average weekly working time to 48 hours unless you agree with the company that the limit shall not apply to you.

The Company wishes to have an agreement with you. It proposes an agreement (which shall apply until terminated by notice) on the basis that:

1. the 48 hour limit on average weekly working time will not apply to you;
2. you may terminate the agreement (so that the 48 hour time limit would apply to you) by giving the person at the Company to whom you usually report 3 month's written notice

Under the Regulations, the Company must keep records relating to your working time. This is the case whether or not you reach an agreement with the Company about waiving working time limits.

If you accept the Company's proposal, please sign below. This document will then be a record of agreement between you and the Company.

RESOLUTE RECRUITMENT LTD MOBILE PHONE POLICY

The use of mobile phones in certain circumstances produces a risk not only to the user but also to others in the vicinity, when the attention of the user may be distracted.

In order to reduce the risk, the following policy must be adopted.

- The use of hand-held mobile phones whilst driving is illegal and employees must not use a hand-held mobile phone under any circumstances whilst driving, as this presents a danger not only to the driver but also to other road users.
- Where it becomes necessary to use a hands-free mobile, drivers should consider bringing their vehicle to a stop at a safe location, giving due regard to the classification of the road conditions at the time.
- Should the facility allow, drivers should consider switching off their mobile phone whilst driving and activate the voicemail facility on the mobile phone. This will allow messages to be delivered at a convenient time when conditions allow.
- Where stipulated, certain vehicle manufacturers indicate that mobile phones without an external aerial attached should not be operated under any circumstances within their vehicles due to the possible effects on vehicle electronics and other devices, e.g. air bags. Vehicle handbooks should be referred to for further information.
- Due to the potential lapse of concentration which would place an individual, and others, at risk, mobile phones should not be used whilst operating any item of work equipment or whilst undertaking servicing or repair of vehicles.
- Mobile phones should not be operated under any circumstances in potentially flammable or explosive atmospheres. This includes areas for storage of flammable liquids, including petrol station, and storage areas for explosive devices e.g. air bags.
- With regards to possible health effects from radiation whilst using mobile phones no prescriptive and definitive information has yet been produced.

Declaration

I, the undersigned, have read the above Mobile Phone Policy and I fully understand and agree to comply with the policy.
